MEET OUR JUDGE

Mr J. Finney (Sanguliano)

I got my first Staffordshire Bull Terrier in 1974 and always had at least one since then. My late wife and I have also owned and shown Bull Terriers, Bulldogs and Pugs. I still have my old champion Staffordshire Bull Terrier at 11 years of age.

I started judging in the 1980s and gave my first set of CC's in 1995. I now am passed to give CC's in 12 different terrier breeds and the group at Championship level. I have judged Scottish terriers many times at Open and Championship shows in the group and I can assure you of an honest opinion.

Come Camping With Us!

This year we are pleased to be able to offer our exhibitors camping on site! This will enable you to stay over and get into the summer spirit. Remember Terriers are at Bath Championship on Sunday 26th May, so why not make a weekend of it.

Cost will depend on numbers interested. So if you fancy making a fun weekend of it then please let the secretary Vicki Norton know. We look forward to giving you a warm Welsh welcome.

Each exhibitor is responsible for providing their own crate or cage identification and should note that the original exhibit/bench number card, as provided by the Show Society, must not be used for this purpose.

SOFT CRATES

The Kennel Club has drawn attention to the potential health and safety implications concerning the use of soft crates at shows as in its view, they do not offer sufficient protection to dogs. Soft crates left unattended at the ringside are a potential hazard particularly when occupied by large breeds, and it has been known for dogs to become distressed and move soft crates along the floor and also escape. Soft crates should only be used when there is sufficient room available and when they can be safely secured.

Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under the Kennel Club Rules and Regulations.

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- © When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- © If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good

idea at all.

- ⦿ The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- ⦿ Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- ⦿ When at the show, never leave your dog in the vehicle.
- ⦿ Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- ⦿ Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.

17. Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.
18. Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered.
19. No modifications will be made to this schedule except by permission of the General Committee of the Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.

Adequate receptacles for the disposal of such fouling will be provided.

PHOTOGRAPHY

The organisers would like to bring the regulation on photography and filming to the attention of exhibitors, trade stands, press and visitors. It is a condition of all those attending the event that no filming or another form of recording may be taken or made at the venue without express written permission of the organisers. The taking of photographs in the show venue for sale or reward is strictly prohibited except without the written permission of the organisers. Press accredited photographers are provided with permission to take photographs for use in Newspapers, magazines, and internet sites – this is for news purposes only. There is no objection the general public taking photographs of general views of the show, provided that these are for private use. Specific dogs may be photographed only with the approval of the exhibitor. No photography or filming is permitted inside the breed judging rings whilst judging is actually taking place. However, judges may allow it to happen at the end of classes or after the challenge certificate is awarded. Filming and flash photography is allowed from outside the rings at all times unless the operation of the camera is actually affecting exhibits. However, if a powerful flash is being used or it is clear that exhibits are being affected, a ring steward or the judge is empowered to stop the person concerned.
