Pembroke Welsh Corgi
Judge: Mrs Ena Ellwood

More about our Judge

Myself and my mother were the partners in our dogs until she passed away in 2011 that is where the affix came from half of my name and half of her name. We started in German Shepherds until the split started within the breed and my mother could not run round the ring so she decided on a corgi, which we had years ago when I was growing up. We have had a few breeds with some success Irish Wolfhounds, Australian Shepherds and Swedish Vallhunds, the latter gaining C.C.'s in that breed. Sadly both the Vallhunds are now departed. My first Pembroke Ch was Ellhar Knight Errant in the early 80's. Then CH Ellhar Luminos, whom I lost in December 23 at 13, and CH Salvenik Silk Rose for Ellhar followed and we have had a lot of success with the latest one, CH Ellhar Maksimos, who has amassed 7 C.C.'s 4 of which in his later years as a veteran. He now enjoy's his retirement at home at 11 years old. I have judged In Russia twice before the conflict with Ukraine, in Denmark and last year in Finland. I am looking forward to judging the Cambria show in June as I always enjoyed this show as an exhibitor.

More about our Judge

"I've owned dogs since I was 17 years old my first being a rescued GSD that I did competitive obedience with along with a Doberman/Great Dane Cross, a Rottweiler and a Standard Poodle. I got my first corgi, a pem in 1983 when I went to visit a litter of Pat and Bob Bonner, I was hooked from then on. I give CCs in Pembrokes and bred my first litter in 1991 and although I don't breed a lot I have managed to gain title's on a UK Champion, a Canadian Champion and co-owned an American Champion. I've also bred many CC and RCC winners over the years and have had a lot of fun in the ring with them but they are my pets first, showdogs second. I met and fell in love with Mimi nearly 8 years ago, she picked me and is my Princess in name and nature and has been CWCA Top Brood Bitch 2021, 2022 and 2023 curtesy of her progeny from her only litter. Howie is now a Champion (4 CCs & 6 RCCs) litter sister Lunar (2 CCs & 3RCCs) and Ripley and Wolfie with RCCs. They all strutted their stuff in the Breeders Competition at Crufts 2023, and Howie has been invited to represent the breed in the Vulnerable Native Breeds Grand Final Crufts 2024. My 2nd cardi litter was some 18 months ago and I am currently showing Harper (a blue merle) who, although not the bravest girl, managed to gain her JW title 2023 and has a RCC. Cardis are very different to pems in a lot of ways but I have fallen in love with the breed and hope to have them both in my life for a lot of years to come.

DOGS IN VEHICLES ON HOT DAYS

Show Schedule Notice

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts

travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations. **The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.**

Right to Refuse Entries. Exhibitors/Competitors are reminded that show societies have the right under Kennel Club Regulation to refuse any entry of the Show.

Use of Electrical Equipment at Shows

The Kennel Club is becoming increasingly concerned at the amount of

electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices.

Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used. The Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

Security at shows

In light of recent events The Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows.

The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.

Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.

Advisory Notes – Additional Rules and Regulations

- i. Should any judge be prevented from fulfilling their engagement, the Committee reserves to themselves the right of appointing other judges to fulfil their duties. Exhibitors are at liberty to withdraw from competition but no entry fees can be refunded.**
- ii. Any owner, competitor or other person in charge of a dog is required to remove as soon as possible any fouling caused by their dog(s) at any Kennel Club licensed venue and within the environs of that event including car and caravan parks and approaches. Adequate receptacles for the disposal of such fouling will be provided.**
- iii. The Committee will do its utmost to ensure the safety of the dogs brought for exhibition but it must be clearly understood by exhibitors and all other persons at the Show that the Committee will not be responsible for the loss or damage to any dogs or property, or personal injury whether arising from accident or any other cause whatsoever.**
- iv. An announcement prior to the date of closing of entries in Our Dogs of any alteration or addition made by the Committee to the schedule or in these Rules shall be sufficient notice thereof.**
- v. All children must be kept under control and parents will be held responsible for any damage caused and charges incurred.**
- vi. Please do not obstruct gangways with trolleys. Storage space will be made available for trolleys/ cages.**
- vii. If in the opinion of the Show Secretary, Show Manager or Judge any dog is considered not in a fit state for exhibition owing to a disease, savage disposition, or any other cause, the dog may be excluded or removed from the show the dog must not be brought into the Show at any time under any circumstances.**
- viii. No animal other than an exhibit duly entered at the show will be allowed within the precincts of the show during its continuance.**
- ix. The owner, exhibitor, handler or other person in charge of a dog at a Kennel Club licensed event must at all times ensure that the dog is kept under proper control whilst at the licensed venue, including its environs, car and caravan parks and approaches. This regulation applies before (at any time during the set up period at the venue), during the event and afterwards (at any time during the breakdown of the event)**
- x. A dog may be disqualified by the Board from any award, whether an objection has been lodged or not, if proved amongst other things to have been a) registered or recorded as having been bred by the scheduled judge, this shall not apply to a judge appointed in an emergency; b) exhibited without payment of the appropriate entry fees.**
- xi. Every exhibitor shall ensure that whilst the dog is being exhibited, its handler shall display the correct ring number.**

Additional Guidance on F Regulation Amendments

Regulations now stipulate that competition in AV/Stakes classes has no bearing on the main Breed competition at a show and it is therefore

acceptable for beaten dogs to be eligible to challenge in Best Puppy In Group, Best In Group, Best Puppy In Show and Best In Show
The regulation preventing Best Puppy in show from competing in subsequent competition has been made redundant.
Dogs declared Best in Show and Reserve Best in Show do not need to be withdrawn from subsequent competition.
