c) For any reason other than the above, the Show Secretary shall transfer it to the Open class for the correct colour, sex, weight or height.

16. **DOGS IN VEHICLES ON HOT DAYS** : Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at K.C. licensed events. \* When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams. \* If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.\* The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink. \* Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around your dog. \* When at the Show, never leave your dog in the vehicle. \* Keep the dog in the shade – take your own shade, for example a large umbrella, and always have plenty of water available to drink so your dog stays well hydrated. \* Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time. Remember, if you feel hot your dog is likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare. **WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**
17. Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under the Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.
18. Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered.
19. No modifications will be made to this Schedule except by permission of the Board of the Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.

20. The Committee will be most anxious for the care and safety of all dogs entered for exhibition and for any property entrusted to it, but it must be clearly understood by exhibitors and any other persons that the Committee will not be responsible for the entire or partial loss, or detention of, or damage to any dog or person for any cause whatsoever, nor for any act of omission of themselves, their officers, servants, agents and others, and it is on this understanding only that entries are received.

21. Information from Entry Forms will be stored on computer and the name, address and details of entries may be published in the catalogue, unless otherwise advised: information results may also be published and/or provided to the press for publication. Information about exhibitors may also be passed to any regulatory authority or trading standards. The making of an entry is irrevocable consent for the storage and disclosure of information in this way.

22. Should any judge be prevented from fulfilling his or her engagement, the committee reserve the right to appoint another Judge or Judges in their place. Exhibitors may withdraw from competition, but no entry fees can be returned.

#### Address with held for publication

1. Tick the box at the bottom of the entry form near your name and address on the front of the entry form if you DO NOT want your address to appear in the catalogue. Your name will still be printed above your dog's record as normal.

2. Your address is still needed for the sending out of schedules, so you still need to enter your address in the normal way

Exhibitors Passes will not be sent. If an acknowledgement of receipt of entry is required, please enclose a stamped addressed envelope with entry.

Please keep your dog(s) on a lead at all times.

Please keep this venue clean & tidy of all litter.

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations

All crates must be labelled as per the Kennel Club ruling

#### Use of Electrical Equipment at Shows

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices.

Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

The Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power-points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

#### Security at Shows

In light of recent events the Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows. The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert. Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.

#### Soft Crates

The Kennel Club has drawn attention to the potential health and safety implications concerning the use of soft crates at shows as in its view, they do not offer sufficient protection to dogs. Soft crates left unattended at the ringside are a potential hazard particularly when occupied by large breeds, and it has been known for dogs to become distressed and move soft crates along the floor and also escape. Soft crates should only be used when there is sufficient room available and when they can be safely secured.

#### Note for Exhibitors

Each exhibitor is responsible for providing their own crate or cage identification and should note that the original exhibit/bench number card, as provided by the Show Society, must not be used for this purpose.

Exhibitors are reminded that it is their responsibility to display their Exhibit / Bench number on Crates / Cages at all times. This is a Kennel Club requirement. The original exhibit / bench number card, as provided by the Show Society, must not be used for this purpose.
